

1           If not, while Delegate Gleason returns to his  
2 chair, I have two announcements to make.

3           We are pleased to have with us in the gallery  
4 the Honorable Charles Cruikshank, the delegate from Balti-  
5 more City, and we did have with us on the Floor, I don't  
6 know whether he slipped out again, Deputy Attorney General,  
7 Robert F. Sweeney. We are delighted to have them with us.  
8 (Applause.) Delegate Schneider.

9           DELEGATE SCHNEIDER: Mr. President, Mr. Chair-  
10 man, I also would like to make an announcement that the  
11 Prince Georges delegate is happy to have several hundred  
12 civic teachers from Prince Georges High School sitting in  
13 the balcony behind the podium.

14           THE CHAIRMAN: Delighted to have them.

15           The Chair recognizes Delegate Gleason for the  
16 purpose of submitting an amendment. Do you have the  
17 reprinted amendment, Delegate Gleason? Will you send it  
18 to the desk, please?

19           The amendment is not here. It is on its way.

20           The amendment is coming in the door now, I  
21 understand.
